

**Wellcare  
Foundation**

Wellcare Integrated Campus, Thakurganj, Kishanganj, Bihar

## **Wellcare Foundation: Empowering Minority and Backward Communities Towards Mainstream Inclusion**

Wellcare Foundation is a dedicated community service organization committed to fostering the holistic upliftment of backward minority communities. Driven by a vision of an equitable and inclusive society, we strive to integrate these marginalized groups into the social mainstream by addressing the fundamental challenges that impede their progress.

## Our Mission

To empower backward minority communities by facilitating access to quality education and providing comprehensive social support, thereby enabling their sustainable development and dignified integration into the broader society.

## Our Vision

A vibrant society where every individual from minority and backward communities has equal opportunities, access to resources, and the capabilities to thrive, contributing actively and confidently to the nation's progress.

## **WELLCARE Integrated Educational, Vocational & Healthcare**

Campus Location: **Thakurganj, District  
Kishanganj, Bihar**  
(Seemanchal area) Total Area: **22 acres**

**The Seemanchal region** is among Bihar's most underserved areas — facing challenges like low literacy rates, inadequate healthcare facilities, and widespread unemployment.

**Wellcare Campus** is envisioned as a comprehensive model for holistic regional development, integrating:

- ◆ Primary and Higher education to empower local youth and raise academic standards
- ◆ Nurture moral values, spiritual growth, and community unity.
- ◆ Vocational & skill-based training to build employability and entrepreneurship
- ◆ Sustainable agriculture & livestock farming for income generation and self-reliance
- ◆ Accessible local healthcare to improve community well-being and quality of life

# Our Institutions & Programs

## International English Medium School

- Delivering globally benchmarked education with Islamic values.
- Focus on English fluency, STEM, and holistic development.
- Preparing students for national and international competitive exams.
- Encouraging leadership, creativity, and cultural awareness.

## Higher Secondary School

- Providing integrated Islamic and modern education.
- Focus on academic excellence and character development.
- Preparing students for competitive exams and higher studies.
- Equipping students with life skills and extracurricular opportunities.

## Arts & Science College

- Offering modern, quality education in science, humanities, and commerce.
- Promoting research, innovation, and critical thinking.
- Encouraging community engagement and social responsibility.
- Providing career counseling and placement support.

# Teachers' Training College

- ◆ Preparing educators with modern pedagogical skills.
- ◆ Emphasizing value-based and inclusive education.
- ◆ Organizing workshops and seminars for professional growth.
- ◆ Building a network of qualified teachers to uplift the region

## Pharmacy College

- ◆ Training qualified healthcare professionals for the region.
- ◆ Combining modern pharmaceutical education with ethical practice.
- ◆ Encouraging research and innovation in pharmaceutical sciences.
- ◆ Preparing graduates for employment in hospitals, industry, and community healthcare.

## Thafeedul Quran Institute

- Providing dedicated Quran memorization (Hifz) programs.
- Combining memorization with understanding and character building.
- Training students to lead prayers and teach in future.
- Offering a supportive environment for spiritual and moral growth.

## Campus Masjid

- Serving as the spiritual heart of the campus.
- Facilitating daily prayers, Jumu'ah, and Islamic gatherings.
- Hosting lectures, Quran study circles, and community events.
- Promoting unity, faith, and moral values among students and staff.

## Clinic & Diagnostic Centre

- Offering affordable, quality healthcare to local residents.
- Providing preventive, diagnostic, and outpatient services.
- Creating hands-on training opportunities for medical and pharmacy students.
- Supporting community health awareness and wellness programs.

## Cattle & Goat Farm

- Designed as an income-generating unit to financially support the campus.
- Providing skill-based training in animal husbandry and dairy farming.
- Promoting entrepreneurship and self-reliance among students and locals.
- Demonstrating modern and sustainable farming practices.

## Project Objectives

- To establish centers of excellence in higher education and teacher training, raising academic standards in the region.
- To improve community health outcomes through accessible and affordable medical and diagnostic services.
- To impart practical vocational skills in agriculture, livestock, and allied fields, fostering self-reliance.
- To create sustainable income and employment opportunities for youth and local communities.
- To promote inclusive socio-economic development and upliftment of the underserved Seemanchal region.
- To integrate modern education with ethical values, nurturing responsible and capable citizens.
- To demonstrate sustainable campus management through agriculture, livestock farming, and green practices.

## Expected Impact

- Educate and empower hundreds of students from the local community each year.
- Deliver skill-based and vocational training that translates into sustainable employment and entrepreneurship.
- Improve healthcare access and well-being for thousands of residents annually.
- Generate over 200 direct and indirect employment opportunities across educational, healthcare, and agricultural units.
- Contribute to the long-term socio-economic and environmental development of the Seemanchal region.
